**Please contact us via our contact us form for further details.**

Due to us having to find volunteers to erect our marquees and transporting the marquees we are only able to hire within the local area.

**Our marquees are based in Birdham West Sussex**

All proceeds go to help cover the costs of managing Scout HQ .

**We also need volunteers to join our marquee erection team.**

No previous experience is required and an experienced member of the team oversees all jobs!

We just need additional man (or woman!) power we can call on.
