

Oak Colony Report 2018

We have 24 and 4 new Beavers who came up after Easter. I have had 8 beavers who went up to cubs, 1 left and one moved away but was hopefully going to join a beaver unit near them. I have more coming up in September and December. I still have a waiting list which still seems to be going up. Thank you to the Beavers who attend St Georges Day Parade in Chichester on 23th April 2018. Since the last AGM we have had a camp at West Dean and we are hopefully going to have another one this July or September which will have the Friday colony joining us. We did a lot of Badge work since the Agm trying to get Challenge badges done and one Beaver Got his Bronze award and hopefully this year we will get some more to Gain the Bronze wards this is the Highest Award the Beavers can get. We have also done alot of other badges Cyclist, Experiment Digital Citizen Emergency aid Saftey , Hobbies and Collectors . This summer term we plan to make sandcastle on the beach. Crabbing and going on walks and scavenger hunts and going swimming. We will also hopefully be joining the other beaver colony in some of are activities. I want thank Tom, Maddie, Josh & Steven also Simon who come every week to help me and to other parents who come when i need them.

Jean (Woodpecker)
